

Business Proposal: Establishing an IFGICT Accredited AIAP Training and Examination Center at KCST Kuwait College of Science and Technology

Executive Summary

This proposal outlines a strategic partnership between IFGICT and KCST Kuwait College of Science and Technology (KCST) to establish the first-of-its-kind national accredited training and examination center for the International Artificial Intelligence Auditor Professional (AIAP) certification in Kuwait and the GCC region. By leveraging IFGICT's expertise and KCST's strong academic foundation, this collaboration aims to meet the growing demand for AI auditing professionals and position KCST as a leader in AI education and certification.

Proposed Partnership

IFGICT and KCST propose an exclusive partnership to establish a national accredited training and examination center for the AIAP certification. This partnership will involve:

- **Training Center Establishment:** KCST will set up a dedicated training center equipped with the necessary resources to deliver high-quality AIAP training programs.
- **Curriculum Development:** IFGICT will provide KCST with the official AIAP curriculum, training materials, and examination blueprints.
- **Faculty Training:** IFGICT will conduct training programs for KCST faculty to ensure they are equipped to deliver the AIAP curriculum effectively.
- **Examination Administration:** KCST will administer the AIAP certification examinations under IFGICT's supervision.
- **Marketing and Promotion:** IFGICT will support KCST in marketing and promoting the AIAP certification program at a national level, including providing marketing materials and consulting services.

Benefits for KCST

- **Enhanced Reputation:** Becoming a national accredited training and examination center for the AIAP certification will significantly enhance KCST’s reputation as a leader in AI education and certification.
- **Increased Enrollment:** The AIAP certification program will attract a large number of students and professionals seeking to acquire AI auditing skills.
- **Revenue Generation:** KCST will generate revenue through training fees and examination fees.
- **Exclusive Rights:** KCST will have exclusive rights to offer the AIAP certification program in Kuwait and the GCC region for a period of two years (2025-2026).

Exclusive Program Terms

Program Term	Validity	Total Fee (USD)	Annual Fee (USD)
Exclusive AIAP Training and Examination Center	2 years (2025-2026)	26,000	13,000

Financial Incentives

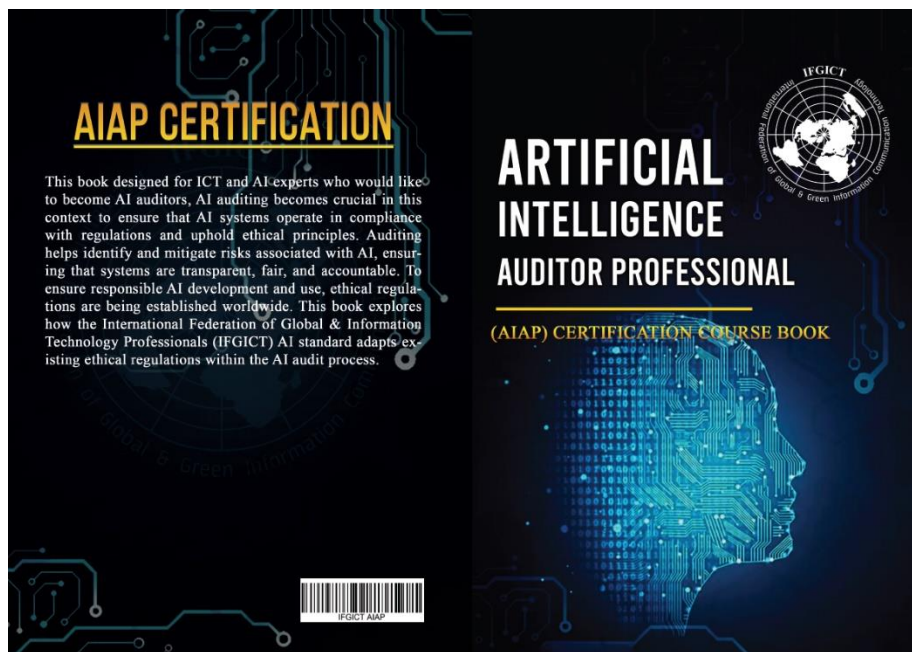

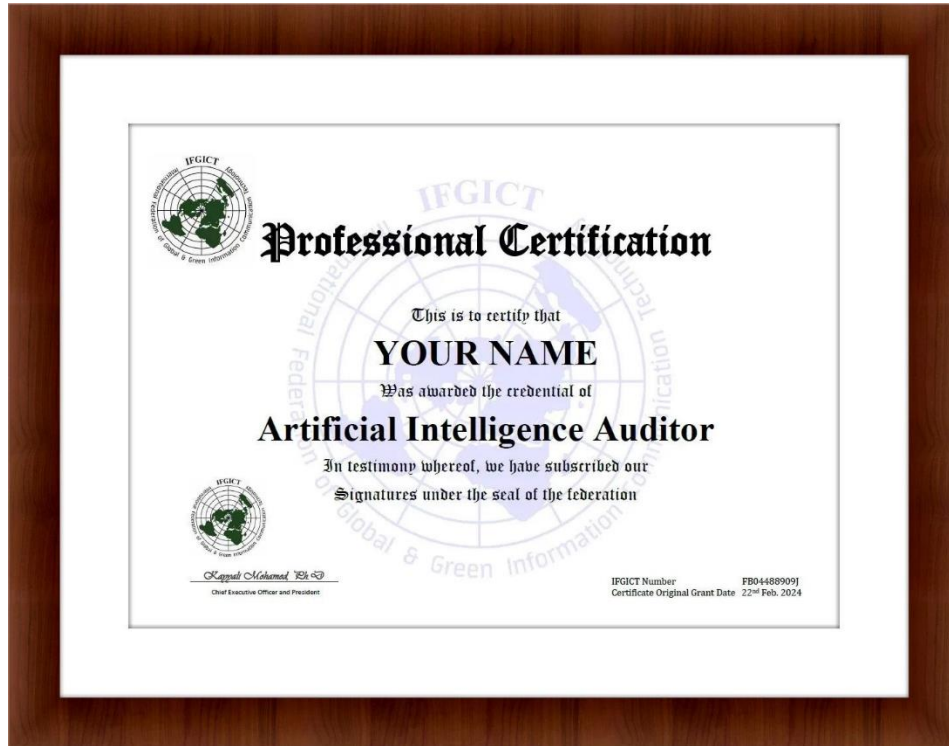

IFGICT will provide KCST with a discount of \$250 per certification, reducing the cost to \$50 per certificate. This discount is applicable to all AIAP certifications issued through the KCST training center during the exclusive program period.

Conclusion

This partnership between IFGICT and KCST presents a unique opportunity to establish a premier AIAP training and examination center in Kuwait and the GCC region. By combining IFGICT’s expertise in AI auditing with KCST’s strong academic foundation, this collaboration will meet the growing demand for AI auditing professionals and position KCST as a leader in AI education and certification.
